# YOUTH

## STEM CAMPS

Supervised lunch time between programs is provided.

### Battle Drones

Battle Drones features an exciting combination of aerial acrobatics with an engineering design challenge that will teach students STEM concepts, teamwork, and how to skillfully fly a drone. Teams of students will build robotic launchers designed to fling projectiles at their opponents' drones.

Day	Date	Time	Fee	Ages	Program
M-W	6/22-24	9 a.m.-noon	\$104	8-14	163301-01

### Merch Lab: T-Shirts, Stickers, Buttons

Turn your creativity into something you can wear and share! In Merch Lab, students will design their own T-shirts, stickers, and buttons using the same digital art tools that real designers use.

Day	Date	Time	Fee	Ages	Program
M-W	6/22-24	1-4 p.m.	\$104	8-14	163302-01

### YouTube Creator & Shoutcasting

Turn your love of gaming into an on-screen (and on-mic) talent! In YouTube Creator & Shoutcasting, students will step into the world of esports media by planning highlight reels, recording their own voice-overs, and practicing shoutcasting—the art of delivering hype-filled, crystal-clear game commentary. Along the way, they'll learn pacing, energy, and clarity while also covering essential "safe streaming" practices to keep their online presence positive and protected.

Day	Date	Time	Fee	Ages	Program
M-W	7/20-22	1-4 p.m.	\$104	8-14	163304-01

### Intro to Game Design

If you like playing video games, you'll love designing them! Trained instructors will teach students how to program their own video games using an engaging program called Kodu. They will create their own world, populate it with characters, and then play the games they create during class.

Day	Date	Time	Fee	Ages	Program
M-W	7/20-22	9 a.m.-noon	\$104	8-14	163303-01

Help us avoid class cancellations!  
Please register at least seven days  
before the start of the class.

## MUSIC & MOVEMENT

YEL!

### Guitar Camp

Join this dynamic course to learn a dynamite instrument! Players will learn the basics of music including reading music, rhythm, melody and meter. We keep the class fun while making the instrument easily accessible for all students. Please supply your child with a six-string guitar. Call 952-361-6882 if you would like recommendations.
