## Lakeville Police Department Update

Sunday, February 22, 2026 – Saturday, February 28, 2026

### Weekly Review

Please note, the Weekly Review does not include all calls to which the Lakeville Police Department responded. Incidents included here are based on severity, impact on public safety or other factors.

- Officers were dispatched to a two-vehicle crash at the intersection of 185<sup>th</sup> St W and Kenrick Ave. The at-fault driver advised they were looking down at their GPS when they struck the vehicle in front of them. The at-fault vehicle was towed and a traffic accident report was completed.
- Officers responded to 20XXX Keokuk Ave in regard to a theft of cash reported by a customer. The reporting party advised they had left \$40 at the self-checkout and upon return, the money was not there. Surveillance was reviewed and showed the reporting party requesting a cash withdrawal at the end of the transaction and forgot to take it from the dispenser. The cash was knocked on the ground and two different unidentified people each picked up \$20 after looking around to see if it belonged to anyone. This serves as a reminder to always check the areas of self-checkouts before leaving any personal items behind.
- While on patrol, officers observed a vehicle smoking and conducted a traffic stop. The driver was displaying signs of impairment and submitted to the standard field sobriety tests and provided a preliminary breath test of 0.23 BAC. The driver was placed under arrest for DWI and booked at Dakota County Jail for 2<sup>nd</sup> Degree DWI.
- Officers observed a tow truck removing a vehicle from the end of an unfinished road and made contact after observing a driver inside the vehicle. The driver was displaying signs of impairment and failed the standardized field sobriety tests. After providing a preliminary breath test result of 0.177 BAC, they were arrested for DWI and transported to Dakota County Jail.
- Officers responded to a report of an intoxicated truck driver causing a scene at a gas station then leaving the area. Officers located the driver nearby and conducted a traffic stop. The driver showed signs of impairment and following the standard field sobriety tests was placed under arrest for DWI. He provided a DMT-G sample of 0.12 and was booked and released at Dakota County Jail as he was also found to have a misdemeanor warrant.
- While conducting winter parking enforcement, officers located a vehicle that was equipped with revoked license plates and was flagged for impoundment. The plates were removed and entered into evidence for destruction.
- Multiple traffic accident reports were completed for crashes as a result of the icy road conditions. A reminder to slow down and plan ahead during the winter months.
- Officers documented a theft of a \$20,000 bronze fairy statue in front of a local business. Detectives are reviewing surveillance and the investigation is ongoing.
- Officers responded to a disturbance at 20XXX Icenic Trl where an unwanted party was on site and had previously caused disturbances. Officers made contact and issued a trespass notice at the request of management.
