

CITY OF LAKEVILLE

RESOLUTION NO: 12-132

**RESOLUTION ESTABLISHING THE MAILBOX REPLACEMENT POLICY
DURING SNOW AND ICE CONTROL SEASON**

WHEREAS, this resolution replaces Lakeville Resolution 99-290, Mailbox Replacement Policy During Snow and Ice Control Season, in its entirety, and

WHEREAS, the Lakeville Streets Division may inadvertently damage mailboxes and support posts by direct contact with City snowplows.

NOW, THEREFORE, BE IT RESOLVED that the City Council for the City of Lakeville accepts responsibility for replacement or reimbursement for replacement of mailboxes under the following circumstances:

- Only mailboxes actually hit by a City snowplow will be the responsibility of the City to replace or reimburse.
- The City will not be responsible for damage to mailboxes or support posts caused by snow or ice coming in contact with the mailbox.
- The City will not be responsible for replacement or reimbursement for mailboxes, support posts, or paper delivery boxes that are not constructed, installed, or maintained per specifications.
- At the property owner's request, the City will replace and install the mailbox with a standard size non-decorative metal mailbox and replace and install the support posts as necessary with a minimum 4" x 4", decay resistant wood support post, or the City will reimburse the property owner \$125.00.

APPROVED this 3rd day of December 2012 by the City Council of the City of Lakeville
